

# Monarch Academy

## CAPABILITY STATEMENT

**EDUCATION • ENRICHMENT • CONSULTING • TRAINING • COACHING • EMPOWERMENT**

**Empowering School, Students, and Families through Education.**

**Monarch Academy** is a specialized educational service provider that offers academic acceleration, STEAM-focused enrichments, and empowerment solutions for schools, students, and families. Our approach combines traditional instruction with experiential learning, enabling all to explore key concepts through hands-on activities, experiments, and real-world applications. We assist schools in improving efficiencies and student performance. Our student academic and STEAM enrichment programs are designed to cultivate creativity, critical thinking, and problem-solving skills, empowering students to take an active role in their educational journeys. In addition, we provide workshops throughout the year to support family engagement and empowerment.

Our services are targeted to underprivileged and underserved communities, particularly those with highly marginalized students. We collaborate with K-12 schools, colleges, organizations, and communities to provide innovative learning opportunities that are relatable, inspiring, and engaging. Our programs are built on three core pillars: academic excellence, student character, and family engagement, with a focus on fostering leadership and humanity.

At **Monarch Academy**, our mission is to equip schools, students, and families with the necessary tools to achieve success.

### CORE CAPABILITIES

Our educational experts and business professionals analyze research, design, implement and provide solutions in the areas of:

- **Educational Program Development and Implementation**
- **Consulting**
- **Training**
- **Educational Intervention**
- **Coaching and Mentoring Programs(All ages)**
